M CONDITIONS OF ENROLMENT

1. All applicants, before lodging an application, must read or refer to Gurkhas Institute's International Student Prospectus or our Website: www.gurkhasinstitute.com.au, which details information about the ESOS framework, course requirements, fees payments and refund policy, including an explanation of what occurs, if for some unforeseen reason, the course is not delivered.
2. All fees and charges must be paid in full prior to course commencement unless a "payment plan" is arranged with the Institute. Tuition fees may be altered without notice prior to the student's enrolment. Once a student has completed enrolment, tuition fees will not be subject to change for the normal duration of the course. If a course length is extended by the student then any fee increases will be required to be paid for the extended component of the course.
3. Student tuition fees are safeguarded through the use of insurance and assurance schemes mandated by Australian Legislation.
4. The tuition fees do not include the living expenses, uniforms, equipments or text books.
5. Students are not eligible, without the Institute's approval, to transfer to another registered provider until they have completed 6 months of their principal course of study.
6. Students must have and maintain a valid Overseas Student Health Cover while they are on a student visa.
7. Students must advise the Institute of their address and contact details and notify of any changes immediately as they occur. Failure to do this may mean the student may not receive important information which may affect their course, their enrolment or their visa.
8. Students may initiate a request to defer commencement of studies or suspend their studies on the grounds of compassionate or compelling circumstances. Students wishing to defer the commencement of studies or suspend their studies must apply to do so in writing to the Institute. The Institute may decide to suspend or cancel a student's enrolment on its own initiative as a response to misbehaviour by the student. Deferral of commencement, suspension of enrolment and cancellation of enrolment has to be reported to DIAC by the institute and this may affect the status of a student visa.
9. All students must agree to be bound by the Institute's policies and rules & regulations in force from time to time and to abide by the Student code of behaviour and their student visa obligations.
10. Continuation in the course is dependant upon satisfactory academic progress and attendance and the payment of the required tuition fees by the invoice date. Failure to do so will result in the Institute advising the Department of Immigration and Citizenship (DIAC) to terminate student visa and any course results may be withheld.
11. Information is collected on this form and during your enrolment in order to meet our obligations under the Education Services for Overseas Students Act 2000, and the National Code 2007, and to ensure student compliance with the conditions of their visa and their obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Students Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007. Information collected about you on this form and during your enrolment will be provided, in certain circumstances, to the Australian Government and designated authorities and, if relevant, the Tuition Assurance Scheme and the ESOS Assurance Fund Manager. In other instances, information collected on this form or during your enrolment can be disclosed without your consent where the Institute is authorised or required by law to do so. You can access information collected from you on this form and during your enrolment by contacting Student Administration at the Institute.
12. This agreement, and the availability of complaints and appeals processes, does not remove the right of the students to take action under Australia's consumer protection laws.
